A note about our president, Toni Bruns-

On Wednesday December 5th, our beloved president, experienced a significant stroke during the night. Toni has been a part of NIHJA since its origination and has had an extraordinary impact on horse showing in Northern Illinois. She is currently in the ICU and her condition is uncertain but looking better. It currently isn't known what her recovery will look like or how long her stay in the hospital will be. We do know that she has a long road ahead of her. We are setting up a GoFundMe to help support her and her family with medical related expenses and to help keep them on their feet during Toni's stay at the hospital. We are humbly requesting our members, followers, riders, trainers, parents, and anyone else involved in the circuit to offer any financial aid that they can. Toni is the rock of NIHJA, Palatine Stables, and most importantly her family. We want to help them get through this. **-NIHJA & Victorious Farm**
